

Hello, and thank you for your interest in Funky Junk!

I am currently accepting applications for both crafters and vintage/antique vendors. The funky junk style is anything from retro, salvage, farm, rustic, and more.

All vintage/antique vendors must have items that are at least 40 plus years old, no new items. I am only accepting craft vendors who sell crafts that they create themselves. I am also looking for vendors with a fun personality that will join in on the "feel" of funky junk; LOVE*FUN*JUNK! :)

Booth prices are \$200 for a 10x10 indoor booth. This is a 2 day event and the price is for the whole weekend.

If you are interested in applying please answer the following and attach 2-3 photos of either your style of items or a booth picture from previous shows. *I welcome new Vendors who may have not done a show before. Email description and pictures to funkyjunkshow@yahoo.com.

Name_____

Business Name_____

Address_____

Phone Number_____

Have you ever been to Funky Junk?_____

Please Describe the style of vintage goods or crafts you would like to sell

Have you been a vendor in any other shows? Please list a few_____
